SAUDI WOODWORKING EXPO 2024

It's where the woodworking machinery leaders gather and do business!

Saudi Woodworking Expo is a valuable platform for woodworking machinery and wood processing technologies and tools, where manufacturers, suppliers and distributors can showcase the latest innovations, machinery, trends and technology and witness the unparalleled spectacle of live machines show, and interact with key decision makers and buyers. It provides the most cost-effective way to increase your business in Saudi Arabia's fast growing emerging market

Under Saudi Vision 2030, the kingdom made remarkable progress in transforming its industrial sectors to further growth. Meanwhile, the high growth in wood and woodworking industry which is projected to reach a value of US\$ 4,101.80 million by the year 2029 at a CAGR of 2.85% , consequently, the increasing demand for machinery and equipment which was the important driver to Saudi Woodworking Expo.

Saudi Woodworking Expo is launched as part Mach Saudi Arabia 2024 concurrently with FABEX Saudi Arabia 2024 (No.1 Machinery and Manufacturing Exhibition in the kingdom of Saudi Arabia for over 10 years) to create a complete platform of quality business opportunities.

Global and Regional machinery and innovations leaders, suppliers, agents and distributors seize this opportunity to stage live demonstrations of their plant. Don't let this opportunity slip away—Join at Saudi Woodworking Expo 2024!

EXHIBITOR PROFILE

- Wood / Woodworking Machinery
- Wood Cutting Machinery
- Wood Processing Machinery
- CNC and Press Machinery
- Surface Technology Equipment
- Grinding, Polishing and Finishing Technology
- Cutting Tools, Tool Holders and Other Equipment
- Electrical and Mechanical Hand Tools
- Dust Collector, Ventilation and Filter Systems
- Environmental Protection and Industrial Safety

VISITOR PROFILE

- Furniture Manufacturers
- Wooden Product Manufacturers
- Forestry Products Industry
- Furniture and Decoration Industry
- Machinery Industry
- Hardware and Construction Materials Suppliers
- Architects and Engineers
- Decoration Companies, Interior Designers
- Wood Distributors, Traders
- Wood & Panel Board Processing Companies
